

FAQ's about Yoga Village's Partnership with the Fairmont Scottsdale Princess

What does this partnership mean?

This means Yoga Village students **with a current package** CAN come to Willow Stream Spa to take a Yoga Village led class; not the hotel classes offered daily on the schedule. Paying a Yoga Village drop-in rate is not an option for the Willow Stream Spa classes. Packages must be purchased before signing up for classes online.

When are the classes offered?

We have four weekly classes for Yoga Village students to enjoy:

- Sunday 11:00-12:15 pm Basic Yoga with Jen Brooks
- Monday 6:30-7:30 pm Restorative Yoga with Rachel Walsh
- Tuesday 6:45-7:45 pm Yin Yoga with Lise Klein
- Wednesday 6:30-7:30 pm Candlelight Yoga (L 2) with Ali Kamen

Can anyone come to class?

No, **only customers with a current yoga package** can come to class and resort guests. Students can purchase packages [online](#) or at Yoga Village and then **MUST [sign up online](#)** to attend class. Walk-ins will not be allowed for these classes and will require a \$35 Willow Stream drop-in fee.

In order to attend class, students will be **required** to sign up online through Mind Body at least 30 minutes before class. **Walk-ins will not be accepted** even if the student has a package. No exceptions. Registered students will receive an email confirmation a few hours before class with driving directions.

What do I do when I arrive?

Check in at the front desk at the [Willow Stream Spa](#). Your name should be on the sign in sheet.

Where is Willow Stream Spa?

It is located at the back side (south side) of the Fairmont Scottsdale Princess on Princess Drive in between Scottsdale and Hayden Roads. Follow the signs to the Willow Stream Spa off of Cottage Terrace. Parking is available there at no cost. Also, complimentary valet parking is available at the main entrance of the resort.

Can I use the spa facility afterward?

Good question! Yoga Village students can enjoy a discounted \$15 access fee to enjoy the entire Willow Stream Spa facility. You can enjoy the workout room, rooftop pool, jacuzzi, eucalyptus steam rooms, locker rooms, showers and more! Just let the front desk staff know you plan to "stay and play."

Do we get discounts on spa and salon treatments?

Yes! Yoga Village students can enjoy 15% off all retail items and 15% off the prevailing rate for salon and spa services.

Are children allowed in the spa?

To participate in Yoga Village classes at Willow Stream, students must be at least 16 years of age. However, minors are not allowed to utilize the spa facility. You must be 18 years of age or older to use the spa facility.
